**Attention Students:** By electing to take Honors or your chosen electives, you are expected to fulfill the obligation. This means that you, the student, will stay in the class until it is completed. For example, if you choose to be in a year long elective, you are expected to stay in that class until the year is over. In addition, if you sign up for an Honors course, you are also expected to stay in that course until the course is completed in its entirety. **You will not be able to drop a year-long course at any time during the year.**

\*\*If you select an Honors course, you will be responsible for all summer assignments. Failure to complete any summer assignments will not be a reason to drop an Honors course.

\*\*If you do not turn in a scheduling sheet or register courses via Xello, your counselor will choose courses for you.

In addition, if the electives do not work in your schedule, we will begin to use your alternatives starting at 1 and working our way down until an alternative class works. Be mindful of which classes you are choosing and how you are ranking them.
