

UPCOMING STUDENT COUNCIL MARCH EVENT- WARM A SENIOR'S HEART

For March, we would like to ask your family to purchase a no-sew blanket kit from a craft store, such as Michael's or JoAnn Fabrics. Both stores have coupons plus run their no-sew kits on sale from \$10-20. You will

work on this on your own time at home & we will donate to East Harbor for seniors in our community who are staying there for an extended time and/or living on the campus.

This is NOT mandatory, but is an opportunity to do something positive for a community member.

You can make 1 blanket or you can make as many as you'd like. You can work on your own, with friends or involve your family. If you choose to participate, we will need your blanket by Friday, March 15. Student Council will be around to collect on the due date. Please also write or print out a caring message. We won't know exactly who will receive your blanket, but it will be a senior citizen at the senior living facility. The message can be your own or one you found online. We will send the little message with your blanket.

**Let's help warm a
senior's heart in
March!**

Please email Mrs. Jones

with questions:

kjones@abs.misd.net

Reminder: Blankets due no later than Friday, March 15.
