

Lighthouse Elementary PTG Presents

3 **FREE** fundraising opportunities to help raise \$ for our school!
We need your help, please consider signing up!

1) **Recycle old ink cartridges-** O so easy!

How it works:

- Package your old ink cartridges into box or zip loc bags.
- Write "Attn: Office" on it.
- Send the item in with your child to be dropped off inside the school office. That's it!

2) Donate to **Box Tops for Education-** Box Tops has gone digital! Please upload your receipt digitally via the Box Tops for Education App.

How it works:

- Download the Box Tops for Education App, create a log in, select Lighthouse Elementary, allow access to phone's camera and begin scanning your receipts within 14 days of purchase. THAT'S IT!
- No receipt? No Problem! Forward your digital receipts to receipts@boxtops4education.com. Be sure to send the receipt(s) from the email account associated to your Box Tops account so they recognize you!

3) Donate using **Kroger Rewards-** Simply log into your kroger.com account, go to Community Rewards, Search for Lighthouse Elementary, and Enroll. Once you link your card to our organization, all you have to do is shop at Kroger or Kroger.com with your Plus Card, and Kroger will make a donation to LHE.

FAQ's about Community Rewards

- Linking your Plus Card does **NOT** affect your fuel points! Your fuel points will still accumulate for your own personal use each month.
- Linking your Plus Card does **NOT** affect the prices you pay for your items. You will still shop Kroger's same great prices.
- You will **NOT** need to renew your card yearly as it will now auto enroll itself. You can deactivate your enrollment at anytime in your account settings.

Thank you for contributing to our wonderful school!
