**Together, as a school  
community, we are  
helping kids like Preston  
from St. Clair Shores, MI**

Hi, my name is Preston and I'm in 3rd grade. I was born with a CHD called ALCAPA. I had surgery when I was only 4 months old. My heart will never be cured only mended. By participating and donating to Kids Heart Challenge you are helping the American Heart Association so kids born like me can run, play football and swim - just like I like to do! Thank you for your support!

**Thank you so much for supporting our school  
and the American Heart Association!**
