

Dear Students and Parents,

We are excited to introduce our custom App exclusively designed for the Bedford Junior High School Gettysburg & Washington DC trip for 2024 ! It's powerful... it's cool... and it's FREE!

We strongly encourage you to download the App for the Gettysburg & Washington DC trip. Among it's many uses, the App allows access to register for the trip, make payments, view daily itineraries, information on attractions and maps of Gettysburg & Washington DC. Students have access as well, they just can't make payments (just like in real life).

Download the Free Student Adventure App right now in the Apple or Android store!

Installation Instructions

Search In the app store:
"Student Adventures Trip App"

Get/Install the App

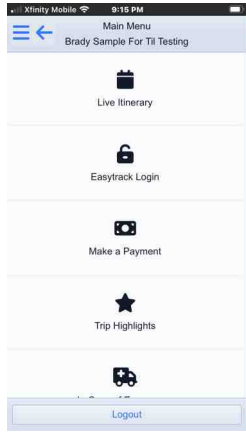

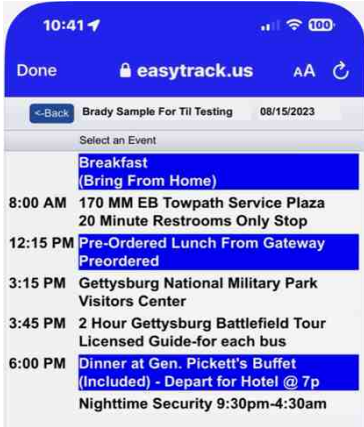

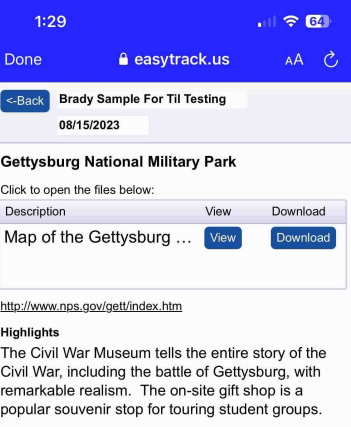

STEPS TO LOGIN TO THE TRIP APP FOR ANY PARTICIPANT

Step 1: Enter the email address below:
dctrip@bedford.com

Step 2: Enter the Password: **2024**

Step 3: Click the **LOGIN** button.

Your Trip Info

Use the Trip App to access

- Daily Itineraries
- Destination Maps
- Food Court and Restaurants
- Motor Coach and Hotel information
- Important Phone Numbers

On Trip Communication: You do not need to Download the TripApp to receive On Trip Communication.

Your school trip sponsor and the Student Adventures tour director will be sending On Trip communication during the trip ONLY to the participants who are traveling on the trip. They will communicate to participants on the trip, wake-up call and breakfast times, meeting points, what not to bring in, what to bring in, etc..

Parents who DO NOT travel on the trip will only receive text messages such as 'great first day' or 'we will arrive home at 5:30 am tomorrow morning, make sure to be at school to pick up your students.'

Please Login into your Easytrack account and confirm the cell phone number and that you have selected 'allow to receive text messages'
